WHO WE ARE

Joyful Home Care is a business that was birthed out of a desire to help the elderly live life with joy every step of the way. We are based in Long Island, New York. We have a passion for helping and caring for elderly folk who cannot operate on their own. We will try our hardest to fulfill everything that your dear one needs. We hope that you will consider us as an option for your dear one, and if you do, we will prove ourselves to be a valuable part of your dear one's life as we spend time with them and help them live their lives with joy.

Joyful Homecare strives to provide hope and independency for seniors. Our goal is to provide care and companionship for clients while still maintaining their personal freedom.

Our handpicked staff is matched to each and every client based on their specific needs. The Companions are personally interviewed and background checked. Our staff shares our mission of providing a helping hand while upholding the dignity and self-sufficiency of our clients. Our Companions will be with your loved ones when it is not possible for you to be present. Our staff seeks to provide adequate care for your senior in the comforts of your own home.

SERVICES WE PROVIDE

Joyful Home Care seeks to provide a variety of non-medical support and services. Helping families and their loved ones meet their homecare needs is our top priority. Each person will be treated according to their unique personal needs. Our goal is to help clients maintain as much independence as possible.

We are able to work together with you or your loved one to help choose a program that will be best suited for their needs. Some of our services are listed on the next page.

We are dedicated to helping you or your loved one live an enhanced lifestyle by providing services so you or your loved one may remain comfortable and safe at home.
